OUTDOOR PROS APPEARING AT THE 60TH ANNUAL RED RIVER VALLEY SPORTSMEN'S SHOW

The Red River Valley Sportsmen's Show returns to the FARGODOME March 6th-9th, 2025. Following are the professional outdoorsmen who will be providing free seminars throughout the run of the show.

FEATURED SPEAKERS

Tom Huynh (pronounced Winn) began fishing walleye tournaments in 2020. His first tournament was on the AIM Pro Walleye Series, which he fished with his teammate Nate Wolske. They won their very first event! The momentum continued throughout the year, with a 4th place finish and another win in the last two events of the season.

In 2021, he entered the full NWT series and AIM team circuit as well. His talent shone once again, placing 2nd in both the NWT championship and AIM State Championship. To top it all off, he and his team were awarded AIM Team of the Year. This success continued in 2022 with repeat wins for the AIM Championship and Team of the Year, along with the ultimate achievement - winning the National Championship.

The 2023 season was another showcase of his skills, with top 5 finishes in all AIM events and a top 5 finish in the NWT AOY. This year, 2024, he reached the pinnacle of the NWT circuit by winning the Championship and tying for AOY points.

And that's not all! He just launched a revolutionary new educational fishing platform called Tom Huynh University. Check it out at www.fishthu.com

Tom's seminar topic: "Mastering Forward Facing Sonar"
